Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Sunday 14 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry with sunny spells apart from rain late Sunday.

Today:
A dry morning today with sunny spells. A band of rain and drizzle moving through later this afternoon and lingering till evening. Winds remaining strong but lighter than yesterday. Maximum temperature 9 deg C (48 deg F).

Tonight:
This evening will see the last of the day's rain clearing fairly quickly, leaving a dry night with plenty of clear spells. Some light showers may persist in the east. Minimum temperature 4 deg C (39 deg F).

Monday:
A largely dry day with low chances of light, short showers. Sunny spells for many in the east but heavy cloud will build from the west through the afternoon. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Early morning rain on Tuesday may linger all day in places. Wednesday dry with sunny spells. Thursday dry for many but chance of heavy showers, with possible thunder showers.
